Job offer - External Evaluator to EMJM GOALS

While implementing the Erasmus Mundus Design Measures – The GOvernance & Administration of Leisure and Sports International Master (GOALS) - https://master-goals.eu/ project, we are looking for an external evaluator to assess our first years of the project.

The task of the external evaluation is to investigate, assess and evaluate the implementation of the project: learning outcomes, good management of the scholarships, employability of the student, etc.

Applications will be scored and ranked according to the following criteria:
- experience in external evaluation,
- experience in EU-funded project management,
- experience in the Erasmus Mundus programme,
- motivation.

The tasks:
- assessment of the self-assessment report of each of the consortium partners (information about the teaching infrastructure, scientific potential of the staff employed at the faculty, information about the library and available books (also online), information about dormitories, information about the faculty's business partners, information about the study program implemented at the university),
- evaluation of the recruitment of the best candidates for studies,
- evaluation of the study program (mobility scheme),
- evaluation of activities supporting the teaching process
(readability of visa procedures, registration for the next semester, assistance in obtaining accommodation, bank account, information about the health system),
- evaluation of student survey results,
- assessment of communication (and promotion of communication) with potential candidates for studies,
- evaluation of program financing,
- assessment of communication with program graduates,
- assessment of internships, job fair and study trips as a form of finding a job,
- assessment of the possibility of finding a job based on the study program offered (employability).
